

GARY SINISE RISE FOUNDATION

January 2021

We are proud to have been able to participate in a project with the Gary Sinise Foundation to provide granite countertops for a specially adapted smart home for a wounded veteran and his family in Vista, California through their R.I.S.E. (Restoring Independence Supporting Empowerment) program! The family visited our Irvine location and wound up selecting our Persa White granite for the kitchen and Absolute Black leathered granite for their bathroom.
