

ASID OK SPRING FLING

June 2021

As a relatively new member of the American Society of Interior Design in Oklahoma, our OKC location had the pleasure of attending and hosting a booth at the 2nd annual Spring Fling Oklahoma Centennial House. The event took place on June 3rd at the 2021 Symphony Show House and featured an early presentation of the show house with vendor tables including the best in design.

Attendees were able to tour the house which was decorated by local design industry leaders while enjoying an open bar, catered cuisine, and live music. As a supporter of the event, visitors to our booth received product knowledge on granite, marble, quartzite, quartz, porcelain and other premium surfaces.
