

IDS ARKANSAS - SPRINGDALE

June 2021

Our Springdale location is also a proud new member of the Interior Design Society of Arkansas! We had the opportunity to host an event at our showroom on June 24th with IDS and LG Viatera.

Melissa from LG Hausy's Viatera gave a presentation all about the quartz product and the new colors, inspired by nature, that are available this year including: Gotham, Adagio Gold, Metro, Calacatta Plata, and Calacatta Sol. We look forward to cultivating relationships with our fellow members of IDS Arkansas and encourage you to come shop LG Viatera and other quartz options at Pacific Shore Stones.
